Hard To Dig A Hole

Eb

VERSE 1

Cm **G#**
Hard to dig a hole
Eb **Bb**
When the ground is cold and tough
Cm **G#**
Hard to dig a hole
Eb **Bb**
You can't go deep enough
G#
Make some cracks with that ax
Eb
Til your broken back is sore
G#
Stick that shovel in the gravel
Eb **Bb**
Poke around a little more

CHORUS

Cm **G#**
Hard to dig a hole
Eb **Bb**
With tears in your eyes
Cm **G#**
Hard to dig a hole
Bb **Eb**
When your whole world dies

VERSE 2

Hard to chisel names
On a rotten fence rail
Hard to chisel names
With a bent and rusty nail
Mother is covered
And buried in the dirt
Daughter I've got her
Buried in my heart

BRIDGE

G#

Carve out a life

Eb

By earth and blood and bone

G#

Everything you love

Eb

Bb

Leaves you all alone

VERSE 3

Easy to dream

When all I see is them

Easy to dream

And not wake up again

In the blind of my mind

I see them everywhere

In the hole of my soul

I know they are nowhere
