Hard To Dig A Hole

**E**

VERSE 1

**C#m**          **A**  
Hard to dig a hole  
          **E**                          **B**  
When the ground is cold and tough  
                  **C#m**          **A**  
Hard to dig a hole  
          **E**                  **B**  
You can t go deep enough  
**A**  
Make some cracks with that ax  
          **E**  
Til your broken back is sore  
                  **A**  
Stick that shovel in the gravel  
          **E**                          **B**  
Poke around a little more

CHORUS

**C#m**          **A**  
Hard to dig a hole  
          **E**                          **B**  
With tears in your eyes  
                  **C#m**          **A**  
Hard to dig a hole  
          **B**                          **E**  
When your whole world dies

VERSE 2

Hard to chisel names  
On a rotten fence rail  
Hard to chisel names  
With a bent and rusty nail  
Mother is covered  
And buried in the dirt  
Daughter I ve got her  
Buried in my heart

BRIDGE

**A**

Carve out a life

**E**

By earth and blood and bone

**A**

Everything you love

**E**

**B**

Leaves you all alone

VERSE 3

Easy to dream

When all I see is them

Easy to dream

And not wake up again

In the blind of my mind

I see them everywhere

In the hole of my soul

I know they are nowhere
