Hard To Dig A Hole

G

VERSE 1

Em **C**
Hard to dig a hole
G **D**
When the ground is cold and tough
Em **C**
Hard to dig a hole
G **D**
You can't go deep enough
C
Make some cracks with that ax
G
Til your broken back is sore
C
Stick that shovel in the gravel
G **D**
Poke around a little more

CHORUS

Em **C**
Hard to dig a hole
G **D**
With tears in your eyes
Em **C**
Hard to dig a hole
D **G**
When your whole world dies

VERSE 2

Hard to chisel names
On a rotten fence rail
Hard to chisel names
With a bent and rusty nail
Mother is covered
And buried in the dirt
Daughter I've got her
Buried in my heart

BRIDGE

C

Carve out a life

G

By earth and blood and bone

C

Everything you love

G

D

Leaves you all alone

VERSE 3

Easy to dream

When all I see is them

Easy to dream

And not wake up again

In the blind of my mind

I see them everywhere

In the hole of my soul

I know they are nowhere
