Bbm		F
As the banshees ride on the phantom train		
Eb	C#	Bbm
Down the holler you can hear them howl your name		
Bbm		F
Do they cry for love or a long lost friend		
Eb	C#	Bbm
Or is it for the lost souls rustling in the wind		

VERSE 2

Warning to the rails you can hear a mile
If you hear it coming better run for your life
Feel the engines roar, tear the earth apart
Carving deeper in the valleys of my heart

BRIDGE

C#	Eb	Bbm
As the vultures make their circles in the sky		
F	Bbm	
They bide their time til the day you die		
C#	Eb	Bbm
All the ones who wandered careless on this path		
F	Bbm	
When the man comes past meet his awful wrath		
F		
When the man comes past

All the good I had in this wicked life
Disappeared one day on the dark and dusty ties
But the more you ve lost and the less you own
Makes you understand you re nothing on your own

The moon has turned to blood on a red midnight
