Album: Wormwood

Skyclad

Am F Dm E

VERSE 1

I donâ€™t want to live in fear of thorns and nails
I want to go skyclad with pagan females
I donâ€™t want to be the man on the soapbox
I want to go skyclad on the equinox

Chorus

I want to go skyclad
I want to go skyclad
I want to go skyclad with all of you

VERSE 2

Well you fellas want to lock it up in a cotton prison
Well I had my vision and I made my decision
I donâ€™t want to be the fat man in charge
I want to go with the blood ticks out in my yard

BRIDGE

D **E**
Cut me up put me in your brewing pot
D **E**
After I plant my seeds in the lot

VERSE 3

Give me black rhino powder and horny goatweed
Snake venom possum tail whatever I need
I flick my coon dick toothpick into the leaves
Where the heathen women and me is thick as thieves
