I m a bee in your flowers and I am a worm in the trees

VERSE 2

If I was a snake I d find a bird nest I d eat bird eggs til I got sick then I d
eat up

all the rest

I d make myself throw up so I wouldn t gain weight nobody would see me and say
â€œthere

goes that big fat snakeâ€•

Cause I m a slap in your face I m a kiss upon your nose

I m a stab in your back and I am a ring upon your toes

VERSE 3

If I was a little boy I d climb across the walls I play with my machine guns and
I blow

up all my dolls

I d see grandma in heaven grandpa in hell I d go back to Sunday school if they d
let me

ring the bell

Cause I m a spade in your grave I m a slave in you dreams

I m a cramp in your gut and I am a drip in your jeans

VERSE 4

If I was a man I d build an ugly home I d raise a hundred cats and then I d
leave them

all alone

I d never cut my hair I d grow a big beard to cover up my scars and soak up all

my tears

Cause I m a quirk in your brain I m a clot in your heart
I m a cry in the night and I am a shot in the dark
