VERSE 2

She s got a great big mouth and a cold and shallow heart
She whisper s while I m sleeping nothing will tear us apart
If I can t get rid of her I guess we ll get along
She comes with the darkness and dies with the dawn
The night s as lonely as the day is long
God s ugliest children can find beauty in a song

VERSE 3

Some say if she don t kill ya she ll only make you strong
Some say she s inspiration for another song

I m just glad that she don t hang around all day long

She comes with the darkness and dies with the dawn

The night s as lonely as the day is long
God s ugliest children can find beauty in a song
