The Panther Song

VERSE 1

C#

Little boys little girls listen to my song

It may help your lives to be long

Bbm

Your mommies and daddies may disagree

C#

And say the only monsters are folks like me

CHORUS

B

F#

C#

They ain't say there ain't no reason to fear

B

F#

C#

We ain't got no panthers around here

VERSE 2

Don't go into the woods alone

You're gonna wish you'd stayed at home

You'll hear the birds and crickets stop chirpin'

In the darkness you'll see something lurkin'

VERSE 3

The sound of it's cry will make you sick

Make the hair stand up on the back of your neck

You're gonna know just what I mean

When you hear that high pitched scream

VERSE 4

Your flashlight may catch eyes of green

A sight you'll wish you'd never seen

He'll be prowling you'll be praying

You'll see Jesus he'll be saying

VERSE 5

That's when you're gonna start to run

Wish you'd grabbed daddy's shotgun

But you ain't even got a pocket knife

Hope you've enjoyed your short life

VERSE 6

Theyâ€™ll find your body days later
Be a manhunt for a child killer
Who slices throats and gouges eyes
Prefers victims of a smaller size

VERSE 7

So enjoy your childhood have a ball
Tomorrow may not come at all
But if you become panther prey
Youâ€™ll wish youâ€™d died yesterday
