VERSE 1

B **E** **B**
Well it rained so hard hell didn't seem bad
B **G#m** **F#**
Someone prayed for his sins

They put his body in

CHORUS

E **B**
Well they came in black and they dug him a hole
E **F#**
Someone prayed for his sins
B **E** **B**
The rain did pour and they cried a little more
B **F#** **B**
They put his body in

VERSE 2

The band played songs faster than they should
Someone prayed for his sins
That's why those songs never sounded so good
They put his body in

VERSE 3

He used to buy me soda pop when I was young
Someone prayed for his sins
Then he bought me a beer when I turned twenty one
They put his body in

The worms have had their way by now
Someone prayed for his sins
I want to give him a hug but I don't know how
They put his body in

It's a beautiful world it's a beautiful day
Someone prayed for his sins

Those are the words written on the grave
They put his body in
