Album: Drunk As Dragons

Tough Guy Blues

VERSE 1

N.C.

I came hungry  
Came to make me some money  
Got my blues from the karate kid  
And my roots from Bugs Bunny

**G#m B F# x2**

N.C.

Well I burned out and got older  
My spirit smoldered  
Stuffed a sock in my pants  
And tossed a chip on my shoulder

**G#m B F# x2**

N.C.

Well I gave up thinking  
And I took up drinking  
To emancipate my mind like  
Abraham Lincoln

**G#m B F# x2**

N.D.

Then I robbed and I ripped  
Wagging my lips  
Singing bibbidibobbidibibbidibib

**G#m B F# x2**

CHORUS 1

**B** **G#m**  
I got drunk and I smoked a lot of cigarettes  
**B** **G#m**  
I got a hangover but I never got rid of it  
**E** **C#m**  
My heart got broke and my brain got bruised  
**G#m** **F#** **G#m**  
I still don t know a thing about the tough guy blues

VERSE 2

N.C.

There was this little flirt  
Popping out of her shirt  
Smiling and laughing  
Hanging on to each word

N.C.

So innocent and sweet  
Rockin to the beat  
I tapped that keg  
Like she tapped her little feet

CHORUS 2

**B** **G#m**  
A girl half my age in love with me  
**B** **G#m**  
I got busted at age thirty three  
**E** **C#m**  
My heart got broke and my brain got bruised  
**G#m** **F#** **G#m**  
But I still don t know a thing about the tough guy blues

BRIDGE

**C#m** **G#m**  
So high so fast that s when I crashed  
**C#m** **Eb7**  
Down in the gutter tossed out of my ass

VERSE 3

N.C.

Like a cartoon Saturday morning  
I wave by still hovering  
And splat on the ground  
Know the true meaning of suffering

**G#m** **B** **F#** x2

N.C.

I got a reason for the anger  
Like a blind blues singer  
I gouge out my eyes  
And let a stray dog lick my finger

**G#m** **B** **F#** x2

CHORUS 3

**B** **G#m**  
I get sad sometimes act suicidal  
**B** **G#m**  
I look like Jesus but I ve never read the Bible  
**E** **C#m**  
My heart got broke and my brain got bruised  
**G#m** **F#** **G#m**

But I still don't know a thing about the tough guy blues
