Wrap It Up

VERSE 1

**G** **B7 C** **G**  
Well this whole thing started off really pretty good  
**G** **B7** **C** **A**  
A god and a goddess hungry for fresh blood  
**C** **Cm** **D**  
I ate ambrosia on a cloud, you drank nectar from the spout  
**G** **Bm** **C** **G** **D** **G**  
I don t wanna wrap it up but I m pulling out

VERSE 2

Well it isn t that I feel unloved at all  
Really I think I m just unlovable  
I do things when you re not around that always make the devil proud  
I don t wanna wrap it up but I m pulling out

I got a few years on you I know  
**D** **B7** **Em**  
That don t matter I suppose

Disappointments in a row

VERSE 3

There s fertile ground by the riverside, we ll meet there with new names  
I ll laugh like your long lost love, you ll smell like my old flame  
Well it s slick and shallow at the mouth but it gets warm and wet down south  
I don t wanna wrap it up but I m pulling out
