

Sweet Xiao Li
Wooden Wand and the Sky High Band

Am **E** **Am** **E**
I try to stay aware of all the shives you gotta share oh lee
Am **E** **Am** **E**
to fig to be asertive tell his brothers to be aware oh lee
C **G**
when they have you over oh lee will match your skin
C **G**
his sister called a bed of nails before you snuggled in
Am **G**
sayin no ones gonna double cross jordan
Am **E** **Am** **E**
no one will try harder than we.

Am **E** **Am** **E**
made our fathers spirits and they lifted up the curse oh lee
Am **E** **Am** **E**
they charmed the prince of darkness the robin in reverse oh lee
C **G**
they met a says some roamers couldn t find themselves a size
C **G**
so we spoke in low in tones under the cloak of high tide
Am **G**
Now no ones gonna short change shorty
Am **E** **Am** **E**
cuz no one hits harder than me.

Am **E** **Am** **E**
and our skin is tender cuz we get around a bit oh lee
Am **E** **Am** **E**
we saw the wisdom in a road that didn t split oh lee
C **G**
we re going and keep going if that s what you need to do
C **G**
but I have always wished I could be born again to you
Am **G**
now no one kisses sweeter than ginger.
Am **E** **Am** **E**
no one loves her more so than me.
