

Lost On The Moon
WoodenToaster

Bm **A**
Saying goes that when you re stuck on a mountain
E **F#m**
You try to go up, you try to go down, you turn around
Bm **A**
To face a wall so you can face yourself
E **F#m**
realizing you ve made a mistake

Bm **A**
And you are being stuck on the moon like the rest of us,
E **F#m**
trying to make sense of it, crying cause we don t have any
Bm **A**
reason, we re alone together,
E **F#m**
cause we all share the very same crime

Bm **A**
Some will say that this is not going to last long
E **F#m**
Some will say that if we try we can t go wrong
Bm **A**
As time goes on we are not leaving this place
E **F#m** **Bm** **A** **E** **F#m**
Cause when we ll come back we lose our track of time and space
Bm **A** **E** **F#m**
Bm **A** **E** **F#m**
Bm **A** **E** **F#m**
Bm **A**
So together we are all lost on the moon
E **F#m**
We all share our home on the moon, we
Bm **A**
forever we are lost on the moon, together
E **F#m**
we pay your crime on the moon
Bm **A**
together we are all lost on the moon
E **F#m**
We all share our home on the moon, we
Bm **A** **E** **F#m**
forever we are lost on the moon
