Woodkid - I Love You
tabbed by Anass

[Verse 1]

Em **D**
Where the light shivers offshore

G **C**
Through the tides of oceans

Em **D**
We are shining in the rising sun

C **D**
As we are floating in the blue

Em **G**
I am softly watching you

C **Am** **Bm**
Oh boy your eyes betray what burns inside you

[Chorus]

Em
Whatever I feel for you

Bm
You only seem to care about you

C
Is there any chance you could see me too?

Bm **B**
Cause I love you

Em
Is there anything I could do

Bm
Just to get some attention from you?

C **Bm**
In the waves I've lost every trace of you

B

Where are you?
