

Wasteland
Woodkid

Gm	F	A#	Gm
Most of my sweet memories were buried in the sand			
Gm	F	A#	Gm
The fire and the pain will now be coming to an end			
How did you get to save me from this desolate wasteland			
In your eyes I see the dawn of brighter days again.			

And these chords are used throughout the whole song. It s probably not how it s really played, but it sounds pretty close to me.
