Intro: [**Em** - **Bm**]**x**4

Verse 1 chords:

Em **Bm** **Em**
And if you go go go, I wait, I wait, I wait till you show
Bm
You gotta show
Em
And when you don t, don t, don t
Bm **Em** **Bm**
I never ever really wanna know, the reason falls
Em **Bm** **Em** **Bm**
What reason makes, bumped you in from the cold
Em **Bm** **Em**
When its no, no, no, no way, no way, no way is that go
Bm7 **B7** **Em**
Its over, its over, I know

Chorus 1 chords:

Em **Bm**

Good, good wait, she s awful intrigue

A D Em

A little bit of room, but only for me

Em Bm

Took me down, piece by piece

A D Em

Pulling back, lost in grief

Verse 3: [use verse 1 chords]

When I fall, fall, fall, it takes me really now to know

A time at all

And when you stall, stall, stall, it s never really quite as I d hope

I d never know

What reasons make, bumped you in from the cold

When it s no, no, no, no way, no way, no way is that go

It s over, it s over, I know

Chorus 1: [use verse 2 chords]

Get your way, deep salute, clear a path, only for me

Favorite cat, open and free, dig in the ground

Black one s soul

Bridge 1 chords:

E B E

Thru the light, stone comes relief

A E

Wait and see, you re never gonna guess

A E B

But I feel I d rather be with you

E B E

As it grows, ground opens up

A E

Crowd of trees building a nest

A E B

And I feel I d rather be with you

Interlude:

E A E B

Verse 4:

E **B** **E**
And then you came, came, came, way back from the weight that you wear
B
It never went
E **B**
And when it rained, rained, rained, we stayed inside
E **B**
And hoped you for the best, in case its rests
E **B** **E** **B**
When the forests came, closed outside in it s hands
E **B** **E**
So we ll wait, wait, wait, until the undergrowth runs us away
A **B** **E**
Runs us away, and takes us back in where we wait

Outro: [use Bridge 1 chords]

Thru the light, stone comes relief
Wait and see, you re never gonna guess
But I feel I d rather be with you
As it grows, ground opens up
Crowd of trees building a nest
And I feel I d rather be with you
