**Ebm B F#sus2 C#**

**Ebm      B      F#sus2 C#**

When we all have gone,

**Ebm      B            F#sus2      C#**

To the silence of etern-i-ty

**Ebm      B      F#sus2 C#**

To first be forgotten

**Ebm      B      F#sus2            C#**

And lost in the records of the earth

**Ebm      B      F#sus2      C#**

Could I still miss you, then,

**Ebm      B      F#sus2      C#**

In the time and space after life

**Ebm      B      F#sus2      C#**

When no one is searching anymore,

**Ebm      B      F#sus2      C#      Ebm**

And where we are nowhere to be found

**B F#sus2 C#**

**Ebm      B            F#sus2 C#**

We didn t spend our life together

**Ebm      B            F#sus2 C#**

and I will miss you forever

**Ebm B F#sus2 C#**

**Ebm B F#sus2 C#**

**Ebm B F#sus2 C#**

**Ebm B F#sus2 C#**

**Ebm B            F#sus2 C#**

The choice was mine,

**Ebm            B      F#sus2      C#**

To long for a time, that will never come

**Ebm**            **B**            **F#sus2**        **C#**

Though we leave the world apart,

**Ebm** **B**            **F#sus2**        **C#**

I, still went peacefully, quietly,

**Ebm**            **B**            **F#sus2** **C#**

with you, still, firmly...

**Ebm** **B**            **F#sus2** **C#**

In my heart.

**Ebm**            **B**            **F#sus2** **C#**

I will wait forever.

**Ebm** **B**            **F#sus** **C#**

I wait...
