Verse:

```
Dm C
let em sleep, let em rise
```

Dm $\mathbf{C} \quad$ G
i used to think that half of the time
Dm
C
should i wake and see
Dm
C
G
what use you ll already be there

Chorus:
F
C
fall into footsteps

G
passing the night

## E

taking the eyes

## F

wandering still

## C

## G

may be what you re used to

## F

C
walking down streets

G
back to the stone

## E

covering eyes

```
        F
    C
    G
wandering off to see how we used to
```

Verse:
Dm c Co Dm
as we bend inside oh for a little while

C
G
we used to think that half of the time

```
Dm C
one for place, one for mind
```

Dm
oh with a little smile
we used to think that half of the time $\quad$ G

Chorus:

```
F
C
fall into footsteps
```

G
passing the night

E
taking the eyes

## F

wandering still

C
G
may be what you re used to
F
C
walking down streets

G
back to the stone

## E

covering eyes
wandering off to see how we used to
