Cali in a Cup by Woods (off the album Bend Beyond)

This is my first tab, I m not sure if the band uses a capo on the 5th, but it makes the chords much easier to play. Just an easy jam, send comments or suggestions if you have any.

5th Capo

Intro: **G C G C** (x3)

Verse:

G **C**
Boiled back on sundays

G **C**
as the leaves fall on the snow

G **C**
You might be part of it

G **C**
Let the seasons overflow

Just to rely on cali in a cup

D
Another side of

C **G**
How can we ever love

Bridge: **G C G C** (x2)

Verse:

G **C**

Turning words for hours

G **C**
let the shadows fade the day

G **C**
Your weekend showered

G **C**
with flowers from their grave

Chorus:

D **C** **G**
Just to rely on cali in a cup

D
Another side of

C **G**
How can we ever love

Bridge: **G C G C** (x2)

Am **D**
As we move past weakness

G **C** (Em-Strum once right before next
line)
and that sound you cant forget

Am **D**
We remember those days

C **G**
from the pillow on our bed

Solo: **G C G C** (x2)

D **C** **G**
Just to rely on cali in a cup

D
Another side of

C **G**
How can we ever love

D **C** **G**
Just to rely on cali in a cup
