

**The Number  
Woods**

-----  
THE NUMBER - Woods  
-----

Tabbed by: Sam Edwardes

Tuning: Standard

<http://www.youtube.com/watch?v=BUfDu147PVM>

Anchor on the shape of a C chord. I do not know the names of the chords but here is what I think they are.

**Am:** 002210  
**G:** 320013  
**C:** 032010  
**F\*:** 003213

-----  
Verse:

**Am G C C**  
Back into those things you wish to undo  
**Am G**  
the crown for your tomb  
**C C**  
not a day goes by or the nights for you  
**Am G**  
then dance in the rain  
**C C**  
cause them towns all will miss your face  
**Am G**  
when we ll toast for the pain  
**C C**  
then we ll taste of the halo of shame

Chorus:

**F\* C G C**  
and if you ll pass that number  
**F\* C**  
waiting for the summer  
**G C**  
so that you can not rest  
**F\* C G C**  
curious perfections

**F\***                    **C**  
those haunting life lessons

**G**                    **C**  
oh that you can not rest

Interlude: 5x

**Am Am**(hammer on 3rd fret **B** string)

G (normal version) G (normal version)

Chorus:2x

**F\***                    **C**                    **G**                    **C**  
and if you ll pass that number

**F\***                    **C**  
waiting for the summer

**G**                    **C**  
so that you can not rest

**F\***                    **C**            **G**            **G**  
curious perfections

**F\***                    **C**  
those haunting life lessons

**G**                    **C**  
oh that you can not rest
