

All We  
Worth Dying For

(verse 1)

Bm7        D                G  
I am at my very end  
Bm7                D                G  
I ve tried all that seems right  
Bm7                D                G  
Im coming closer to the the beginning  
Bm7                D                G  
To the start of a new life  
Bm7                D                G  
With outstretched arms I m broken  
Bm7                D  
Kneeled before You come change me  
Bm7                D                G  
This is a sound of desperation  
Bm7                D                G  
Of humbled coming clean

(Pre Chorus)

D  
We cry, allowd our freedom, song

(Chorus)

Bm        G                A                Em  
All we want, is the love that was on the cross  
Bm        G                A                Em F#/A#  
All we need is his blood to cover us  
Bm        A/C#        D                G  
All we desire, is for you to fill this place  
Bm        G                A                Em F#/A#  
We shout it out, were free

(verse 2)

Bm                D                G  
Repentance is our desire  
Bm                D                G  
Come fill our hearts with your holy fire  
Bm                D                G  
This is a sound of desperation  
Bm        D                G  
The cry of Your creation

(Repeat Pre Chorus and, Chorus then go to Bridge)
