

**At Your Cross  
Worth Dying For**

At Your Cross " Worth Dying For

(Verse)

**A**                            **C#m**                            **B**                            **F#m**  
You took the weight of my sin and my failure on Your shoulders  
**A**                            **C#m**                            **B**                            **F#m**  
Now I'm redeemed from Your love that poured over and over

---

(Chorus)

**A**                            **C#m**                            **B**  
And at Your cross, I fall face down  
**A**                            **C#m**                            **B**  
At Your feet, I lay myself  
**A**  
Holding nothing back  
**C#m**                            **B**                            **A**                            **B**  
Here in this time with You | with you

---

(Verse 2)

**A**                            **C#m**                            **B**                            **F#m**  
You gave me life, through Your cross And I offer all of my soul  
**A**                            **C#m**                            **B**                            **F#m**  
Now I am free, through Your love that poured over "Cause death is over

---

(Bridge 1)

**A**                            **B**                            **C#m**  
If my lungs can't sing, I'll sing with my heart  
**B**  
With my soul, with my mind Yeah I'll sing it for You

---

(Bridge 2)

**A B C#m**  
I fall face down  
**A B C#m**  
To show my love  
**A B C#m**  
I fall face down  
**A B C#m**  
Lord make me new again (3x's)  
Lord I am new again
