Taking Back
Worth Dying For

```
Em                      C
 Through Your victory, I can finally sing
G                           D
 I m taking back what the enemy s stolen from me 3x

C        G        D
Freedom has been won
C        G      D
Death is overcome
C     G       D
Victory is ours and we ll keep singin

Em                      C
 Through Your victory, I can finally sing
G                           D
 I m taking back what the enemy s stolen from me

Em                          C
 I m taking back what the enemy s stolen from me
G                           D
 I m taking back what the enemy s stolen from me
```
