Woven Hand - Cohawkin Road

Standard Tuning

Note: I play the F, Gm, A# and C chords here a little differently than usual, to get the same sound and feel of the song. They are optional, but if you ask me, it sounds better with them.

Like this:

```
      F   G   A#  C
E | --x--x--x--x--- |
B | --1--3--6--8--- |
G | --x--0--0--0--- |
D | --3--5--8--10-- |
A | --3--5--8--10-- |
E | --1--3--6--8--- |
```

Intro: **Gm A# F**

```

Gm                A#
Hidden inside him
           F
Music in the dark
Gm                A#
This conquering kindness
           C
To all in his quiver
Gm
Burdened hard
           A#
On the road
           F
By law all are wounded
           Gm
That you may know
A#                F
You may know one another
```

Bridge:

```
      Gm           F  Gm                               Dm
