Thats What I Do
Wrabel
\mathbf{C} Am \times 4
[Verse 1]
            C Am
                            C Am C Am
C Am
What if I told you that he was no good for you?
C Am
               C Am C Am
And what if I did all the things that he doesn t do?
Well, I ve been quiet, and it s been hard
         Am C Am
                           C Am C Am
So what if I told myself I, I don t give a damn?
[Pre-Chorus]
                 C Am
                                 C Am C Am
            Am
That lackluster look in your eyes I just cannot stand
Well, I ve been quiet for way too long
[Chorus]
C G
Give you love, that s what I do
            G
I d show you love if you let me show you
Telling secrets with every breath til there s nothing left
     G Am
I ll give you love, that s what I do
              Am
          C
That s what I do
C Am x3
[Verse 3]
              С
                                  C Am C Am
                       Am
What if I sang out these words, and they all rang true?
               С
                                    C Am C Am
          Am
                               Am
I know you re with him for comfort, but I don t blame you
Well I ve been quiet, and it s been hard
[Chorus]
          G
Give you love, that s what I do
```

Am

G

```
I d show you love if you let me show you
Telling secrets with every breath til there s nothing left
                       Am
I ll give you love, that s what I do
             C G Am F
That s what I do
[Bridge]
And if you fall out of love with him, I ll catch you
Keeping quiet so I, I don t upset you
But I ve been quiet for far too long
[Chorus]
Give you love, that s what I do
I d show you love if you let me show you
Telling secrets with every breath til there s nothing left
I ll give you love, that s what I do
That s what I do
