```
Silly Me
WSTR
[Chorus]
                 Fm
I try to brush it off but silly me I m at it again
                         Eb
I need to call it quits before I lose a friend
I feel so wrong now
    Ab
Have for so long now
                 Fm
                              Eb
                                              Ab
I try to brush it off but silly me I m at it again
[Verse 1]
     Ab
                    Eb
I m a state a case infatuated
Possibly
  Eb
                     Fm
Now all your favourite calls from me
                Eb
Are dime a dozen these days
I ll be heavily intoxicated
Fm
Probably
  Eb
                         Fm
It trends these days when I {\tt m} away
We both head back to basics
I ll say
     Fm
Are we close to the end
        Eb
Yeah you best just be friends
   Ab
I m breaking
            Eb
What s going on
```

[Chorus]

```
I need to call it quits before I lose a friend
I feel so wrong now
Have for so long now
                               \mathbf{E}\mathbf{b}
                                               Ab
I try to brush it off but silly me I {\tt m} at it again
[Verse 2]
           Eb
So here s a tip for free
          Eb Fm
You better use it wisely
     Eb Fm
Scrap what I said last week
      Eb
We ll talk when we re dead just ignore me
Roll in after dark
        Eb
One too many shots
                                Eb
    Fm
I m oblivious to this until you fill me in
I sleep with my door open
Just so you can stumble in and we can go again
Can t get up cos we re baked
        Eb
Sleep in creased sheets for days
Yeah I ll never find my space
     {f Eb}
Cos I know you re filling it
       Fm
Call me up
Common ground
        Eb
Give it ten we ll be sound
      Ab
Now we both know
What s going on
[Chorus]
                               Eb
                  Fm
I try to brush it off but silly me I m at it again
          Fm
                          Eb
```

I need to call it quits before I lose a friend

```
Fm
I feel so wrong now
          Ab
Have for so long now
                              Eb
I try to brush it off but silly me I m at it again
                           Eb
I try to take a shot so pity me or just pretend
                          Eb
It s getting boring just ignore me till we re dead
I feel so wrong now
Have for so long now
                 Fm
                              Eb
                                             Ab
I try to brush it off but silly me I m at it again
[Bridge]
Fm
I hate to be that guy
Eb
So I try
And I try
  Ab
To hold it what she says we re falling to pieces
[Chorus]
                 Fm
                               Eb
I try to brush it off but silly me I m at it again
                         Eb
I need to call it quits before I lose a friend
```

 $$\operatorname{\mathbf{Fm}}$$ I feel so wrong now

Have for so long now

Ab

Fm

I try to brush it off but silly me I m at it again
