

Yele
Wyclef Jean

Verse

Bb	F	Cm	Cm	then	Bb	F	Cm	Eb
Bb	F	Cm	Cm	then	Bb	F	Eb	Eb

Chorus (Yele, Yele, Yele)

Bb	F	Cm	Cm	again	Bb	F	Cm	Cm
Bb	F	Cm	Eb	then	Bb	F	Eb	Eb

I think this is slightly more accurate.
though the Bm n D are relative. The changes
are deliberate. Quality reggae progressions
are always like this For instance, u can t
find much right Bob Marleytab cuz Even though
it maybe a four chord progession. One will
always get left out and another doubled up
somewhere.
