

Yele
Wyclef Jean

Verse

Bb **F** **Cm** **Cm** then **Bb** **F** **Cm** **Eb**
Bb **F** **Cm** **Cm** then **Bb** **F** **Eb** **Eb**

Chorus (Yele, Yele, Yele)

Bb **F** **Cm** **Cm** again **Bb** **F** **Cm** **Cm**
Bb **F** **Cm** **Eb** then **Bb** **F** **Eb** **Eb**

I think this is slightly more accurate.
though the Bm n D are relative. The changes
are deliberate. Quality reggae progressions
are always like this For instance, u can t
find much right Bob Marleytab cuz Even though
it maybe a four chord progression. One will
always get left out and another doubled up
somewhere.
