[Intro] Ebm Db Gb Db

Ebm Db Gb Db
Said all my piece, said all that s left to say
Eb
There s still blood in your cheeks
Db Gb Db
But your eyes look like miles away
Bbm Gb Db
And I hope you remember this moment forever, my friend
Eb Db Gb Db
When you wake up alone, no, I ain t comin home again

Bbm Gb
You and me, you and me, you and me are history
Db
You and me, you and me, you and me are history
Eb Db Gb
I wish you the best, don t regret what we used to be
Db Eb Db Gb Db
But you and me, you and me, you and me are history

Ebm Db Gb Db
Looked in your eyes as you lie right to my face
Eb Db Gb Db
See through your disguise and yet I still take the bait
Bbm Gb Db
Used to be you and me, comrades in arms, side by side
Eb Db Gb Db
And I got love for you, babe, but love ain t enough this time

Bbm Gb
Cause you and me, you and me, you and me are history
Db
You and me, you and me, you and me are history
Eb Db Gb
I wish you the best, don t regret what we used to be
Db Eb Db Gb Db
But you and me, you and me, you and me are history, ooooooh

Bbm Gb
And I can t come back, come back from this side
Db
Comin back, comin back from this
Bbm Gb Db
There s no comin back, comin back from this, no

Bbm

Gb

Cause you and me, you and me, you and me are history
