Oh ! I m looking at you
Can t control myself
Nothing but pain for me

[Solo] B C# D#m
B C# D#m

B C# D#m
Wipe your tears from your eyes

B C# D#m
Just leave and forget me

B C# D#m
No need to be hurt anymore

B C# D#m
Go away from me now

B C# D#m
I don t know what is love

B C# D#m
No need to be hurt anymore

F# A#
You said, I miss you so much

B C#
Everynight thinking of you

F#
And facing loneliness

A# B
But when you feel sadness

C# B
Never can I stay with you

C# D#m
I m not the one you need

B C# D#m
Close your eyes and forget me

B C# D#m C# B
There s nothing I can do anymore

C#
I lost my way

I ve been walking in the night of tears
B C#

There I found someone was holding you

D# A#

As the night was all falling down

B C#

With my love also vanished my vision of you
My heart is cold now

B C# D#m

Wipe your tears from your eyes

B C# D#m

Just leave and forget me

B C# D#m

No need to be hurt anymore

F# A#

You said, I need you always

B C#

Everyday thinking of you

F#

And living loneliness

A# B

But when you feel sadness

C# B

Never can I stay with you

C# D#m

Go away from me now

B C# D#m

I don't know what is love

B C# D#m C# B

No need to be hurt anymore

C#

Can't find my way
