Intro

G

G   **G***

well we know,ill be away this christmas

Em7   **Cadd9**

but ill be with you,when you close your eyes

G   **G***   **Em7**

and all thought where 1000 miles apart,well be together

            Cadd9   **G**   **G***

under the same skyes, so i dont want you to worry about me

Em7   **Cadd9**

because you know, ill be alright

                    G   **G***

and ill be thinkin of you,while im away

                Em7   **Cadd9~**

and ill be thinkin of you,on christmas day

```
G                         G*        Em7       Cadd9

on christmas day ey ey ey, ey ey ey,ey ey ey

G                                   G*

well it might bother you,that we fight

         Em7                        Cadd9

but at the end of it all, we always have

   G                         G*

so instead of thinkin, its not right

       Em7                  Cadd9

have a drink on me and raise a glass

           G                               G*

and think of you re friends, who have been away

     Em7                              Cadd9

and think of your friends, who have yet to go

           G                         G*

and think of your friends, who never came back

     Em7                      Cadd9~

well remember them, and you know

             G                   G*

ill be thinkin of you, while im away

             Em7                       Cadd9~

and ill be thinkin of you on christmas day

           G             G*        Em7       Cadd9

on christmas day, ey ey ey, ey ey ey, ey ey ey

G               G*            Em7        Cadd9

ohh ohh ohh oh oh uuggg ohh oh this christmas

             G           G*            Em7
```

```
ill be writing ho oh oh oh home oh ohh oh

            Cadd9

this christmas

            G               G*                    Em7

ill be writing ho oh oh oh home oh ohh oh

            Cadd9~

this christmas

G                                                  G*

well we know , ill be away this christmas

            Em&                        Cadd9~

but ill be with you when you close you eyes.
