

Come Back

Xavier Rudd

I know this song is more picked than strummed, but if you want to start playing this beautiful song this could help

Standard tuning

Intro: **D G D D A / D G D A D**

D **G**
I know my answers often left you

D
Feeling like you were hanging out to dry

D
I know my reasons

A
Have left you wondering why

D **G**
And I've had these questions looming over me

D
Since the day you took flight

D
But if you come back

A **D**
There will be good times

(Same pattern in the rest of the song, repeating twice)

I see your face
When I'm staring out the window
Beaming down in the moonlight
The winter is colder
Without you by my side
All I have is this photo
Of your smile to remind
Of my wrongs and my rights
But if you come back
There will be good times

[Good on you all]
