Will you talk with me now?

Let me see through your eyes

Where there is so much life

We are bidding our time

Am G

For these myths to unwind

With every place that you head

Look to your soul

Am G

C

This sacred land it has

Am G

Seen many hands, it has

C

Wealth and gold yet it is

Am G

Fragile and old and all the

Am G Am G

Greedy souls just don't care to know

Am G C

Of the changes it will confront

So speak out loud of the

Am G

Things you are proud

And if you love this coast

Am G

Keep it clean as it evolves

Am G

Cos the way that it shines

Am G

May just dwindle with time

Am G C

With the changes it will confront
