**C#** **F#**  
Do you remember when we ran through the blizzard  
**Bbm** **G#**  
From the train station

**C# F#**  
 The snow in New York covered up half of the door  
**Bbm G#**  
 Yet we still would brave it  
**C# F#**  
 All we could do was sit and practice our tunes  
**Bbm G#**  
 And maybe watch an episode of lost  
**C# F#**  
 We slept on the blow up mattress and talked about how lucky we were  
**Bbm G#**  
 To be here  
**C# F#**  
 You helped me through the door  
**Bbm G# F#**  
 And we stayed there since I could remember  
  
 (C# F# Bbm G# x2)  
  
**C# F# Bbm G# F#**  
 I watched the city from the window on the train  
**C# F#**  
 You can't sit still for anything  
**Bbm G# F#**  
 Oh it's our stop so it won't matter anyway  
**C# F#**  
 It was early December when a call from our leader  
**Bbm G#**  
 Established our new assignment  
**C# F#**  
 And we ran and we tried to make it work without our selves feeling mixed up  
**Bbm G#**  
 I couldn't write anymore  
**C# F#**  
 So we packed up all our things and headed north for the spring  
**Bbm G#**  
 I was finally seeing you for once  
**C# F#**  
 The tour finally started we had our friends and our guitars  
**Bbm G#**  
 Ready to take on the unknowing world  
**C# F#**  
 You helped me through the door  
**Bbm G# F#**  
 And we stayed there since I could remember  
**C# F#**  
 We knew that there was so much more  
**Bbm G# F#**  
 This is life yeah this is what we've waited for  
**C# F# Bbm G# F#**  
 I watched the city from the window on the train  
**C# F#**  
 You can't sit still for anything
