I pray you can make it better down here  
I don t mean a big reduction in the price of beer  
But all the people that you made in your image  
See them starving on their feet  
Cause they don t get enough to eat  
>From God,  
I can t believe in you

I feel that I should be heard loud and clear  
We all need a big reduction in amount of tears  
And all the people that you made in your image  
See them fighting in the street  
Cause they can t make opinions meet  
About God,
