Laying on the grass my heart it flares like fire  
**D** **Em7/4** **D** **Em7/4**  
The way you slap my face just fills me with desire

**A** **G6/A**  
You play hard to get  
**A** **G6/A**  
Cause you re teacher s pet  
**A** **G6/A**  
But when the boats have gone  
**A** **G** **F#m** **Em**  
We ll take a tumble excuse for a fumble

**D** **Em7/4** **D** **Em7/4**  
Shocked me too the things we used to do on grass  
**D** **Em7/4** **D** **Em7/4**  
If you fancy we can buy an ice-cream cone  
**D** **Em7/4** **D** **Em7/4**  
Your mate has gone, she didn t want to be alone

**A** **G6/A**  
I will pounce on you  
**A** **G6/A**  
Just us and the cuckoos  
**A** **G6/A**  
You are helpless now  
**A** **G** **F#m** **Em**  
Over and over we flatten the clover

**D** **Em7/4** **D** **Em7/4**  
Shocked me too the things we used to do on grass  
**D** **Em7/4** **D** **Em7/4**  
It would shock you too the things we used to do on grass

**D** **Em7/4** **D** **Em7/4** **D** **Em7/4** **D** **Em7/4**
