```
King For a Day
Xtc
G C F
Everyones creeping up to the money god
Putting tongues where they didn t ought to be
   C F C
On stepping stones of human hearts and souls
G C F
Into the land of nothing for free
             Em
    G
Well the way that we re living
C G Em
                  Αm
Is all take and no giving
            Em Am
   G
There s nothing to believe in
   F Em Am G
The loudest mouth will hail the new found way
To be king for a day
            F
Everyones licking up to the new king pin
Trying to get way up with a smile
          C
Sing for your supper boy and jump to a finger click
      C F
Ain t my way of living in style
      G
           Em Am
cause the ladder gets longer
C G Em Am
And ambition gets stronger
C G Em
I cant satisfy the hunger
   F Em Am
That bad old moon has got you in its sway
To be king for a day
( C D )
You re only here once so you got to get it right (no time to fuss and fight)
```

Cause life dont mean much if measured out with someone elses plight

C G Em Am
cause the way that were living
C G Em Am
Is all take and no giving
C G Em Am
There s nothing to believe in
F Em Am G F
The loudest mouth will hail the new found way
To be king for a day.
