Here it is, long awaited (?) and hopefully accurate.

Some notes:

(1) I figured this out without having the tape player going, so though the chord pattern is accurate (pretty much all I-IV-V) I ve put this in the key of G, which may be different from that on the album. The important thing is that _I_ can sing it in this key. So there.

Seriously, though, transposing this would not be a big deal.

(2) There is a surprise A chord (or II chord, made major) in the last chorus. I really feel like there is another
