High up, you re fallin back down

Trapped in a concept, falsely accused

Was used and misled

Bitch, I m hopin you fuckin rest in peace

Now the fact that I m alone is fuckin comfortin

And I can t seem to shake this fuckin feeling in my?

Uh, cold shoulder, heartbroken, misspoken

I m cut open, her fingers in all my stab wounds

And if she could she d probably dance on my grave

Inside my head I see your face

I fuckin hate that I love you still, yeah

(XXX Tentacion - mesma progressão)

Carry on, like flights, I just carry on

With this pain inside of my chest

Got no choice but to carry on, uh

Carry on, like flights, I just carry on

With this pain inside of my chest

Got no choice but to carry on, uh

Carry on, like flights, I just carry on

With this pain inside of my chest

Got no choice but to carry on, uh

Yeah
