Top of the morning too

By the catacombs

C#m

You and I

It s do or die

Skies are grey, so you flew a kite

B6

We knew

C#m

And I ll take

E

My lifetime, better days

I won t awake

C#m B6

And I know

C#m

You, I, we die

It s so hard to take

E

This time I ll fly

We won t ever break

C#m

It s all I know

B6

You can t ever say

C#m

You, I, we die

It s so hard to take

E

This time, I ll fly

We won t ever break

C#m

It s all I know

B6

You can t ever say

C#m

The end just never comes

E

The end just never comes

C#m

The end just never comes

B6

C#m

The end just never comes

E

The end just never comes

C#m

The end just never comes
