

Far Far
Yael Naim

G D
Far far, there s this little girl
Em C
she was praying for something to happen to her
G D
everyday she writes words and more words
Em C
just to speak out the thoughts that keep floating inside
G D
and she s strong when the dreams come cos they
Em C
take her, cover her, they are all over
G D Em C
the reality looks far now, but don t go

C G
how can you stay outside?
Em D
there s a beautiful mess inside
C G
how can you stay outside?
Em D
there s a beautiful mess inside
G D Em C
oh oh oh oh

//Like the first verse in G D Em C
far far, there s this little girl
she was praying for something good to happen to her
from time to time there re colors and shapes
dazeling her eyes, tickeling her hands
they invent her a new world with
oil skies and aquarel rivers
but don t you run away already
please don t go oh oh

//Like the chorus C G Em D
how can you stay outside?
there s a beautiful mess inside
how an you stay outside?
there s a beautiful mess inside
take a deep breath and dive
there s a beautiful mess inside
how can you stay outside?
There s a beautiful mess
beautiful mess inside

G D Em C

it s everywhere there s nowhere to hide

but if it fades she begs

i guess i ll have to give it birth
