# Song: One to all #  
# Album: One to all (2006) #  
# Tabber: maggus #  
#####
```

[Verse]

**A**  
Has there ever been a difference  
**F#m**  
from the way we break up tonight  
**E** **D**  
When we sit and trink and talk to much we get into a fight  
**A** **F#m**  
It's not easy to agree with your opinions  
**E**  
When you re drunk and swing  
**D**  
to strike against everything and all

**A** **F#m**  
Everything is said there are no more words to say  
**E** **D**  
The love is gone and all that's left is a hole in your head  
**A** **F#m**  
Every further try is just a waste of time  
**D** **E**  
And the roses that you bought louped in the hall

[Chorus]

**A** **E**  
I DRINK ONE TO MY HOME  
**F#m** **E**  
AND ONE TO ALL MY FAMILY  
**D** **A**  
I DRINK ONE TO ALL MY FRIENDS  
**Bm** **E**  
AND ONE TO ALL MY ENEMIES  
**A** **E**  
I DRINK ONE TO MY HOME  
**F#m** **E**  
AND ONE TO ALL MY FAMILY  
**D** **A**  
I DRINK ONE TO ALL MY FRIENDS  
**Bm** **A**
