Sib FA Sib FA Sib7
The way the moon bends down to light the sea
 RE# FA
And catches hold Of mountains strong
 RE# Sib REm
They stand beside me and all that I am
 RE# Sib FA
They have written in my soul.
 RE# Sib REm
I ve made a promise to never lose sight
 RE# Sib FA
Of the dream that leads me home
 RE# Sib
And this much I know.

REb RE# REb REb RE# FAm
Time like a river sends me away
 REb RE# REb Sib DO
But here on these shores my heart remains
 Sib DO
From these shores I came!

Sib FA Sib FA Sib7
A tender wind that reaches through the years
 RE# FA
And sings me on, through joy and pain
 RE# Sib REm
It breathes within me and all that I am
 RE# Sib FA
It has written in my soul
 RE# Sib REm
I ve made a promise to never lose sight
 RE# Sib FA
Of the dream that leads me home
 RE# Sib
And this much I know
 RE# Sib
And this much I know ...
