

Don't Go  
Yazoo

Yazoo

**Am**

Came in from the city walked into the door

**F**

**G**

**Am**

I turned around when I heard the sound of footsteps on the floor

**Am**

Love just like an addiction now I m hooked on you

**F**

**G**

**Am**

I need some time to get it right, your loves gonna see me through

**Am**

**C**

**D**

**E**

**Am**

Can t stop now don t you know I ain t never gonna let you go, Don t go

**Am**

**C**

**D**

**E**

**Am**

Can t stop now don t you know I ain t never gonna let you go, Don t go

**Am**

Baby make your mind up give me what you got

**F**

**G**

**Am**

Fix me with your loving shut the door and turn the lock

**Am**

Hey go get the doctor, doctor came too late

**F**

**G**

**Am**

on another night I might feel alright my love for you can t wait

**Am**

**C**

**D**

**E**

**Am**

Can t stop now don t you know I ain t never gonna let you go, Don t go

**Am**

**C**

**D**

**E**

**Am**

Can t stop now don t you know I ain t never gonna let you go, Don t go

Am

Baby make your mind up give me what you got

F                                  G                                  Am  
Fix me with your loving shut the door and turn the lock

Am

Hey go get the doctor, doctor came too late

F                                  G                                  Am  
on another night I might feel alright my love for you can t wait

Am                                  C                                  D                                  E                                  Am  
Can t stop now don t you know I ain t never gonna let you go, Don t go

Am                                  C                                  D                                  E                                  Am  
Can t stop now don t you know I ain t never gonna let you go, Don t go
