

Despair

Yeah Yeah Yeahs

Don t despair, you re there
From beginning to middle to end
Don t despair, you re there through my wasted days
You re there through my wasted nights
Oh despair, you ve always been there,
You ve always been there, you ve always been there
You were there through my wasted years,
Through all my lonely fears
No tears will run through my fingers,
Tears - they re stinging my eyes,
No tears - it s all in my head
There s nothing to fear; nothing to fear
Inside
Through the darkness and the light
Some sun has got to rise
My sun is your sun, my sun is your sun (2x)
Their sun is our sun, their sun is our sun (2x)
Oh despair, you were there through my wasted days
You re there through my wasted nights
You re there through my wasted years
You re there through my wasted life

You ve always been there, you ve always been there, you ve always been there
