

**Dull Life**  
**Yeah Yeah Yeahs**

**Bm**                    **A**  
One mistake in a subtle way

**E**    **D**  
Like I m walking again, all on me

**Bm**    **A**  
Step slowly, you know that you fall between

**E**    **D**  
Dark places, what a simple web we weave

**Bm**    **A**  
We ve seen the nightmare of the lies that you speak

**E**    **D**  
The beast that I lie beneath is coming in

**Bm**    **A**  
We ve seen the nightmare of the lies that you speak

**E**    **D**  
The beast that I lie beneath is coming in

**Bm A E D**  
Know myself, self

**G A Bm**  
Know myself

**Bm**  
Well, oh hell, prissy queen

**Bm**  
Iron bars, iron heart

**Bm**    **Bm A**  
Iron bars, everything

**Bm Bm**  
A hundred years old

**Bm Bm A**  
A hundred years old

**Bm**  
Last on the village scene

**Bm**  
Fall apart, iron heart

**Bm**    **Bm A**  
More alive than you ve ever been

**Bm**    **A**  
We ve seen the nightmare of the lies that you speak

**E**    **D**  
The beast that I lie beneath is coming in
