

Modern Things Intro
Yeah Yeah Yeahs

i know this is really skimpy, but too stoned to do the rest

the main thing is just

```
-----|  
-----|  
-----5--5-----|  
---7---7---7--5--5-----|  
---7---7---7--3--3-----|  
---5---5---5-----|
```

BUTTTTTT i think it actually sounds better if you make your amp dirty and play the open of

A minor, C major instead of the power chords

but nick actually plays it in bar chords, on drop D (as ive seen them numerous times in concert)
