

Turn Into
Yeah Yeah Yeahs

C **Am** **Em**
I know, what I know, I know
G

On the car ride down
C **Am**
I hear it in my head real low
Em
Turn into

G **C**
The only thing I ever--

Am
Turn into
Em

Hope I do
G
Turn into you

C **Am** **Em**
I know, what I know, I know
G
That girl you found
C **Am**
Keeps that kind of window closed
Em

She ll turn into
G **C**
The only thing you ever--

Am
turn into
Em
Hope I do
G
Turn into you

Bridge: **Am, F, C, Em**

Am
Can t say why I kept this from you
F
My those quiet eyes become you
C
Leave it where it can t remind us
G
Turn this all around behind us
Am **F**
Oh! Well I know!
