

Way Out
Yeah Yeah Yeahs

This is my first tab. I love this song, and figured it out on guitar and thought I'd
it with everyone, since the only tab out there is wrong and not near complete. I
am pretty
it's all right for the most part. Have fun kids.

Lyrics (cuz I know you'll wanna sing it)

Lies and love
Lies, love
Bed wetting son of the great heat
It s all over me
It s all under me
The face ain t making what the mouth needs

Wonder more
Want, more
Than we did before
Try the new tease

Well, quiet you
Get over me
The shit is running and it runs deep

I m way out
Way out

When you mean it on the inside you still can t get to me

Fits around me so tight, nuh oh
Fits around me

I m way out
Way out

When you mean it on the inside you still can t get to me
