

Miles Away
Years Around the Sun

STANDARD TUNING

CAPO ON 3RD FRET

Strumming, down up down up or all down strokes :)

This is my first tab, These were just the chords I heard when i listened to the song.

But I did a cover of the song on you tube and got heaps of requests to make one of these thingys and theres no chords for this out there. Enjoy! :)
For any extra help here s a like to the video:

[Intro]

G D Em C

[Verse]

G

we watch the light

D

as it set from the sun

Em

all the ways we could run

C

all the ways we could run

G

D

oh my, can you see the light

Em

C

from outer space?

G

what was said what was done

D

as the time had a ride

Em

all the ways we could run

C

all the things we could try

G

D

oh my, could you tell me

Em

C

where this is going to lead?

D

Em

and all the lights are shining on the sea

D

C

as the rolling waves crash along the beach

[Chorus]

G **D**
and our minds were meant to sail
Em
take a rest from our thoughts
C
take a brake from this world
G
and we ll feel miles away
D **Em** **C**
from the places that we used to be

[Verse]

G
as we lay in the sand
D
and we stare at the sky
Em
watch the moon dancing why
C
as the stars latch your eyes
G **D**
oh my, there s no place on earth
Em **C**
i d rather be

D
in my eye this night just don t
Em
feel real
D
but i can feel your touch
C
promise you won t let go

[Chorus]

G **D**
and our minds were meant to sail
Em
take a rest from our thoughts
C
take a brake from this world
G
and we ll feel miles away
D **Em** **C**

from the places that we used to be

G and our minds were meant to sail **D**

Em
take a rest from our thoughts

C
take a brake from this world

G
and we ll feel miles away

D **Em** **C**
from the places that we used to be
